> COUNTY ROAD IMPROVEMENTS .- A third session of the Alexandria County Board of Development was held in Washington yesterday for the consideration of the bill to reconstruct the county roads at a cost of \$150,000. Consideration of the third bill-preparation of which was begun at the last meeting of the board-was postponed and so much of the new measure as provided for a special road commission was finally annulled.

> When this action was taken, two members of the committee, W. W. Douglass and Thomas De Laishmut, left the meeting, declaring they would take no further part in the proceedings. It was announced that George N. Saeg. muller, chairman of the Board of Supervisors of the county, had been in Richmond several days urging the pas-sage of the second bonding bill known as the "Companion" measure. Prior to the receipt of the resolutions passed by the Alexandria mass-meeting recently, the "Companion" measure passed

UNCLE'S TOM'S CABIN.—It is claimed that more people have seen this play in America than have ever seen any other play. Hundreds of people in every community go to see this play as often as opportunity presents itself, though other plays have as much pathos, as much tenderness, more comedy, better tragedy. With appropriate scenery, bloodbounds and a large number of people on the stage, the best presentation of the piece seen in years is promcharge for the past twenty-five years ised.
